given subsequently. Other observations contained in the Audit report are being examined and suitable remedial steps will be taken.

Villages without Post Offices in Adivasi Districts of Maharashtra

†*235. SHRI SURYABHAN PATIL VAHADANE: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the names of villages in the Adivasi districts in Maharashtra where there are no post office facilities available within the distance of four to five kilometers;

(b) whether Government would seriously consider to formulate a scheme to provide post offices so that the people of Adivasi districts can be saved from this hardship;

(c) if so, the details thereof; and

(d) if not, the reasons therefor?

THE MINISTER OF COMMUNICATIONS (SHRI RAM VILAS PASWAN): (a) to (d) There are as many as 113 villages in Adivasi districts of Maharashtra where there are not post offices within the distance of 4 to 5 Kms. The names of such villages are given in the annex. The Government is very keen to expand postal network in the rural including the tribal areas of the country. With this objective in view, relaxed norms are followed while determining eligibility for opening of post offices in such areas. In the normal rural areas for opening of an Extra Departmental Branch Post Office the existing norms prescribe a population of 3000 in a group of villages, including the village where the post office has been proposed, 3 Kms. distance from the nearest existing post office and the anticipated income to the tune of 33 ⅓% of the cost. These norms are further relaxed for opening of a Branch Post Office in tribal areas. The relaxed norms are a population of 500 in individual village or 1000 in a group of villages, a distance of 3 Kms. from the nearest existing post office, which also can be relaxed in special cases, and an anticipated income to the tune of 15% of the cost. Even for opening of Departmental Sub Offices, which are required to be self-supporting in the urban

† Original Notice of the Question was received in Hindi.

areas, the norms are relaxed for opening of such post offices in tribal areas. When a Departmental Sub Post Office is required to be opened in tribal areas, the permissible limit of loss is Rs. 4800/- per annum. Further, in order to expand postal facilities in the tribal areas of the country, it is proposed to open 100 Extra Departmental Branch Post Offices and 10 Departmental Sub Post Offices in the tribal areas of the country during the Annual Plan 1999-2000, subject to norm based justification and availability of resources. A target for opening of 7 Extra Departmental Branch Post Offices and 1 Departmental Sub Post Office in the tribal areas of Maharashtra has been allocated to the Maharashtra Postal Circle during the Annual Plan 1999-2000.
